Healthy Living Initiative

Why this Healthy Living initiative?

Everyone - participants and staff - should be supported to be healthy, both physically and emotionally.

What the initiative will include:

- 4 part webinar series, topics to include: Taking a Landscape View to Healthy Living, Healthy Eating, Active living, Stress Reduction and Mindfulness
- Community Workshops

Have a story to share? Want to provide input? Join the Grantee Advisory Group! Email healthystartepic@jsi.com or talk to EPIC today.
