Healthy Start healthystart2@nichq.org: <https://www.who.int/news-room/commentaries/detail/breastfeeding-and-covid-19>

LG K30: do you have it in Spanish?

Nayda Cruz: Can you mention or write the name of the others papers that you mention earlier?  
Thanks

Litha Ralpho: Can we get a copy of this handout pls?

Catrina Miller: Hospital is not supportive of breastfeeding

Abaya Pelt: Fear that baby isn't getting enough (goes hand in hand with lack on knowledge)

Sherllay Castro: I would like information about breastfeeding a baby with jaundice

Nayda Cruz: hospital separating babies during pandemic

Suzy Tejeda: great info

Efua Ansah-Eleazu: hospitals promoting formula

Catrina Miller: Breastfeed often for Jaundice. It helps the baby eliminate the jaundice.

Sherllay Castro: my doctors discouraged me stating that my breastmilk could affect my child's levels of bilirubin

Alayna Cavanaugh (She, Her, Hers): Is there a handout that you recommend to talk about breastfeeding?

Catrina Miller: Dr Jack Newman has a great article about breastfeeding & jaundice.
